of

Bluestone High School

Volume 4

Skipwith, Virginia

Dedication

The untiring efforts and unstinting financial support of a group of 140 Bluestone patrons produced the Bluestone stadium. We dedicate the 1959 Golden Link to this group,

The Bluestone Stadium Committee

The Bluestone Stadium Committee was an outgrowth of a P.T.A. group originally formed of Clarence Johnson, H. E. Dunn and J. E. Smith to investigate the erection of lights and construction of a stadium at Bluestone School. From this small group came an independent organization, a stadium committee, which met for the first time on June 23, 1958.

Garland Moss was elected chairman of the committee at the first meeting. Vice-chairmen selected were: W. B. Bryson, Harvey Dunn, Clarence Johnson and George Spaulding. F. C. Chuchek was chosen to serve as secretary-treasurer. A \$13,500 note for the construction of a stadium with appropriate lights was backed by the personal notes of 140 Bluestone supporters.

Immediately becoming active the Committee arranged contracts, and work was begun on the stadium in July, 1958. A concrete stadium seating 1800 people was erected. Field lights were placed into position; a six-foot fence encircled the field area; a concession stand was built. On September 13, Bluestone met a traditional rival, Park View, on its home field, the new stadium.

Dedication of the stadium took place at the first football game on September 13. Congressman Watkins Abbitt along with the entire Bluestone School Board and other notables took part in the half-time ceremony of dedication.

Bluestone students and patrons point with pride to their stadium, a product of the BLUESTONE STADIUM COMMITTEE.

Intention

Men crossed mountains, braved flood and tide,
Sailed across dangerous seas - -
They fought the jungle - - they died in desert heat - -
They tunneled through ice and snow - -
They froze to find an Arctic.

Then they who moved on horse or sled
Learned steam and rail.

And finally the old men said,
"This is the last frontier - -
There are no frontiers left save
The frontiers of the mind."

Think again, old men.
This world is hurtling through infinity.
Above and beyond is unfathomed space,
And we, the young, are not shackled
To the earth.
An airplane is our horse and buggy.

Go to sleep in the sun, old men,
This is the Sputnik Age.
The frontier is always over beyond,
And we mean (well, maybe not soon)
We mean to fly to the moon.

Come! Meet Marty the Moonman! He just arrived in his super jet-propelled flying saucer and will accompany you on an earth adventure trip of Bluestone - 1959 - via the Golden Link. Marty is a jolly fellow who has his very own interpretation of school life here.

The annual staff hopes that you will find this adventure exciting, and it is our sincere desire that in the years to come you will recapture some of the light-heartedness, comradeship, and happiness of your high school days in this your 1959 Golden Link.

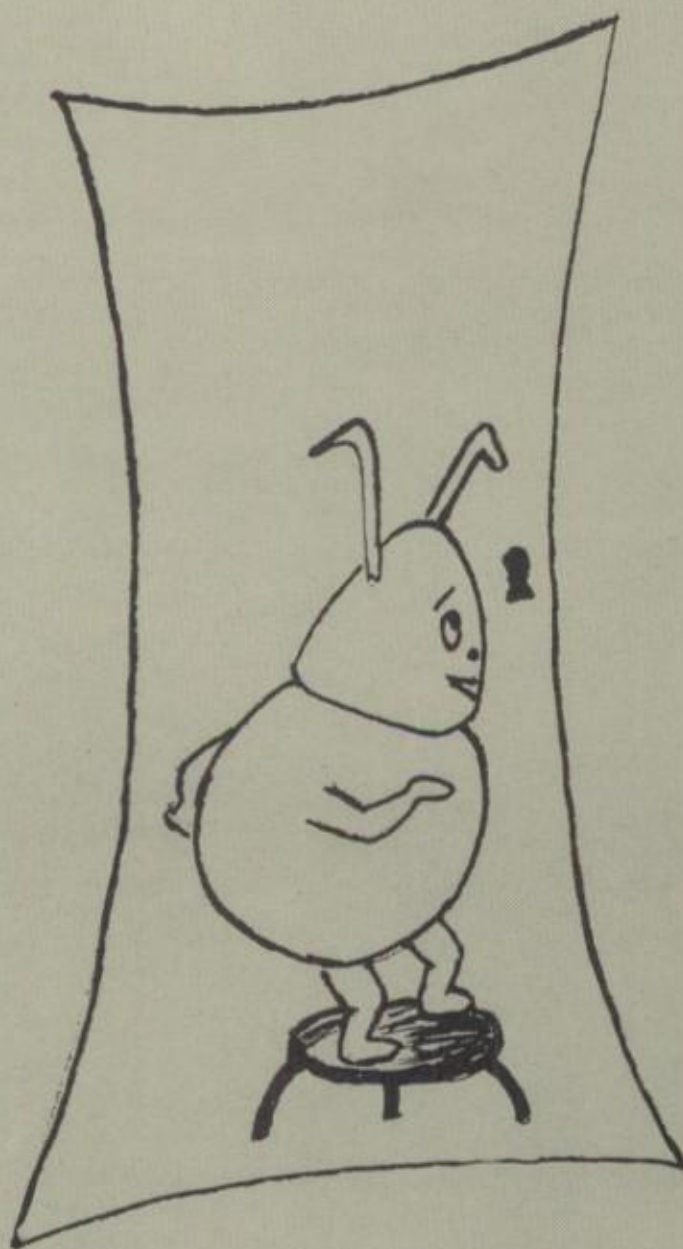

Meet

Marty

Up in the sky - - It's a bird,
it's a plane - - no - - no - - it's
a Moonman!

Seniors - 1959

President	Randolph Vaughn
Vice-President	Charles Moody
Secretary-Treasurer	Alice Glasscock
Reporter	Myrna Hudson

The Senior Class of 1959 having only twenty-three members is a very small class. This was caused by the addition of the twelfth grade in 1954. Of the twenty-three members, twenty are from the original class; two are transfers, and one is completing high school a year early with summer school credit.

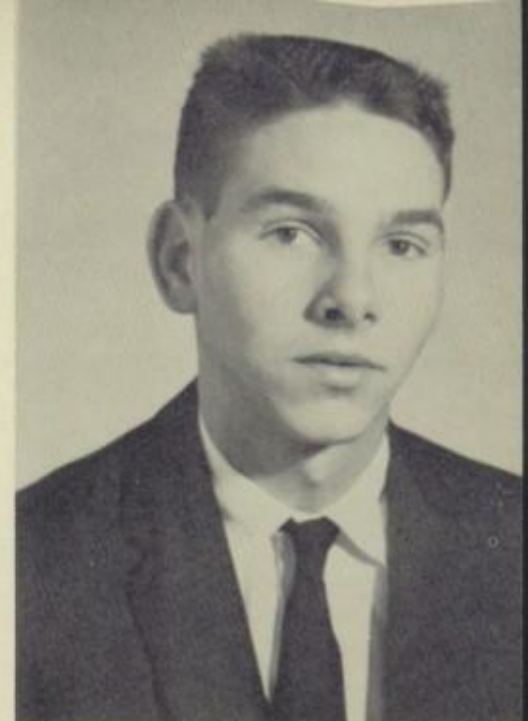

At the beginning of this school year we received our class rings, the most awaited event of our high school days. We are all looking forward to graduation and the traditional class picnic, class day exercises, and commencement. Some of us plan to attend college next year, but the majority will be working in the industrial world.

The Junior Class

President	Jimmy Rockwell
Vice-President	Johnny Woodson
Secretary	Carol Black
Treasurer	Ann Bullock
Reporter	Barry Hastings

"Can you believe it? We're Juniors!" These were familiar exclamations as the Class of '60 searched the halls for classmates not seen during the summer.

Amid tales of summer adventures and trips, many could be heard saying, "I'm taking five subjects, and at last I've got a study hall." Others retorted that they had two study halls. With the dropping of physical education as a required course for the Jolly Juniors, many found time to participate in extra-curricular activities.

In every phase of school activity are found many Juniors who are adequately taking heavy responsibilities. Pursuing such studies as English and American Literature, Dramatics, Geometry, Chemistry, Shorthand, Bookkeeping and French, the Juniors find many challenging fields of learning opening to them.

The Class of '61 returned to Bluestone in September, rejoicing that they were Sophomores and feeling that they were much more intelligent than they had been three months before.

Everyone "buckled down" to hard study - - each student trying to raise his previous academic standing. Class members are enrolled in academic, vocational, and business courses.

In addition to their participation in scholastic activities, the Sophomores are busily engaged in extra-curricular activities - - dramatics, sports, clubs and social pursuits.

The Freshmen Class

The year 1959 found the freshman class a little older and wiser in the ways of Bluestone. Classes in Civics, English, algebra, general mathematics, business mathematics, general science, Latin and physical education claimed the majority of the students, but some freshmen were found in art, home economics, band, agriculture, mechanical drawing, biology and French. The class eagerly renewed their support of extra-curricular activities and took pride in the established position as first-year high school students at Bluestone.

Assistant Editors

The officers of the 1959 Golden Link staff were elected last spring by the 1958 staff. Immediately, the editors began to study all sources of information that might simplify the task ahead. Some attended the annual Southern Interscholastic Press Association held at Washington and Lee University, Lexington, Virginia, where lectures were given explaining the various processes of editing an annual.

At the beginning of the school year, the new members of the staff were elected, and the theme for the annual was selected. Each editor then began to assemble his part of the annual. The advertising staff worked diligently to raise enough money for publication. Each person has had a part in producing this annual.

The Monitor

The school year of 1958-59 saw a change in the school newspaper, The Monitor. Since the opening of Bluestone, three years ago, the newspaper was mimeographed. This year, however, the monthly editions of The Monitor are four-page printed copies. The monumental task of compiling news, gathering advertisements, and meeting deadlines has been performed capably by the staff with Connie Nunn as editor and Mrs. Hilda Collins as sponsor.

Latin Club

The Latin Club

The purpose of the Latin Club is twofold: Information and recreation. Our programs include phases of the life of the Romans, the culture of the Romans, and the outstanding people of Rome. For recreation we play games in Latin and conclude each meeting with refreshments.

Each year the second year students initiate the first year classes by having them dress in humorous attire and by having them bring free treats. This is a hilarious time.

The Latin Club presents at least one assembly program during the year. This usually includes Latin songs, Latin scripture, a Latin playlet and talks about the Roman people.

Club officers are: President, Phyllis Carter; vice-president, Otto Sanders; secretary-treasurer, Billy Crowder; reporter, Mary Leigh Ramsey. Sponsor is Mrs. Bernice Owen.

It's the Latin initiation!

Latin fun at school.

Boys will be girls during Latin initiation.

The French Club

Bluestone's first French Club was organized this year with the guidance of the French teacher, Mrs. Bernice Owen. The purpose of the club is to teach the students the French ways and customs and to help them in learning and understanding the many different phases of the French language. Club meetings are held monthly.

The 1958-59 Geometry Club was formed to increase the interest of its members in the course, to increase the knowledge of the subject, and to pass on to others the value of the subject. Through the monthly programs we have learned the history of geometry and many of the why's which were present at the beginning of the course. This year we wish to purchase some construction equipment with a portion of our dues. This equipment will make understanding geometry easier for us and for the many Bluestone geometry clubs of the future.

The Dramatic

The Dramatic Arts Club of Bluestone High School under the direction of Mr. Harvey Jeffrey won a top rating of "Distinguished" for its performance of Chekov's "The Marriage Proposal" at the State One-Act Play Festival last Spring. This was the second consecutive "Distinguished" rating at the State Festival and the third consecutive rating of "Distinguished" at the District Festival for the three-year old Dramatic Arts Club.

This year the longest production of the year was "Ladies in Retirement", a three-act play. "Ladies in Retirement" was well staged with the most impressive lighting effects and scenery that Bluestone has seen to date. All productions utilize the combined efforts of the Dramatic Arts Club and the drama class. The drama class combines experiences in public speaking, reading and techniques of acting and provides the impetus for the production of dramatic events by the Dramatic Arts Club.

Bluestone's Advanced Band

Presenting the Bluestone High School Band! Whether executing half-time routines or parading through the streets, the Bluestone Marching Band is certain to draw hearty applause and compliments. The seventy-member group under the direction of Mr. Grover B. Harris also draws favorable comments from judges at contest time as recognized by the "1" rating in the State contest last spring. The Advanced Band is practicing now for this year's contest.

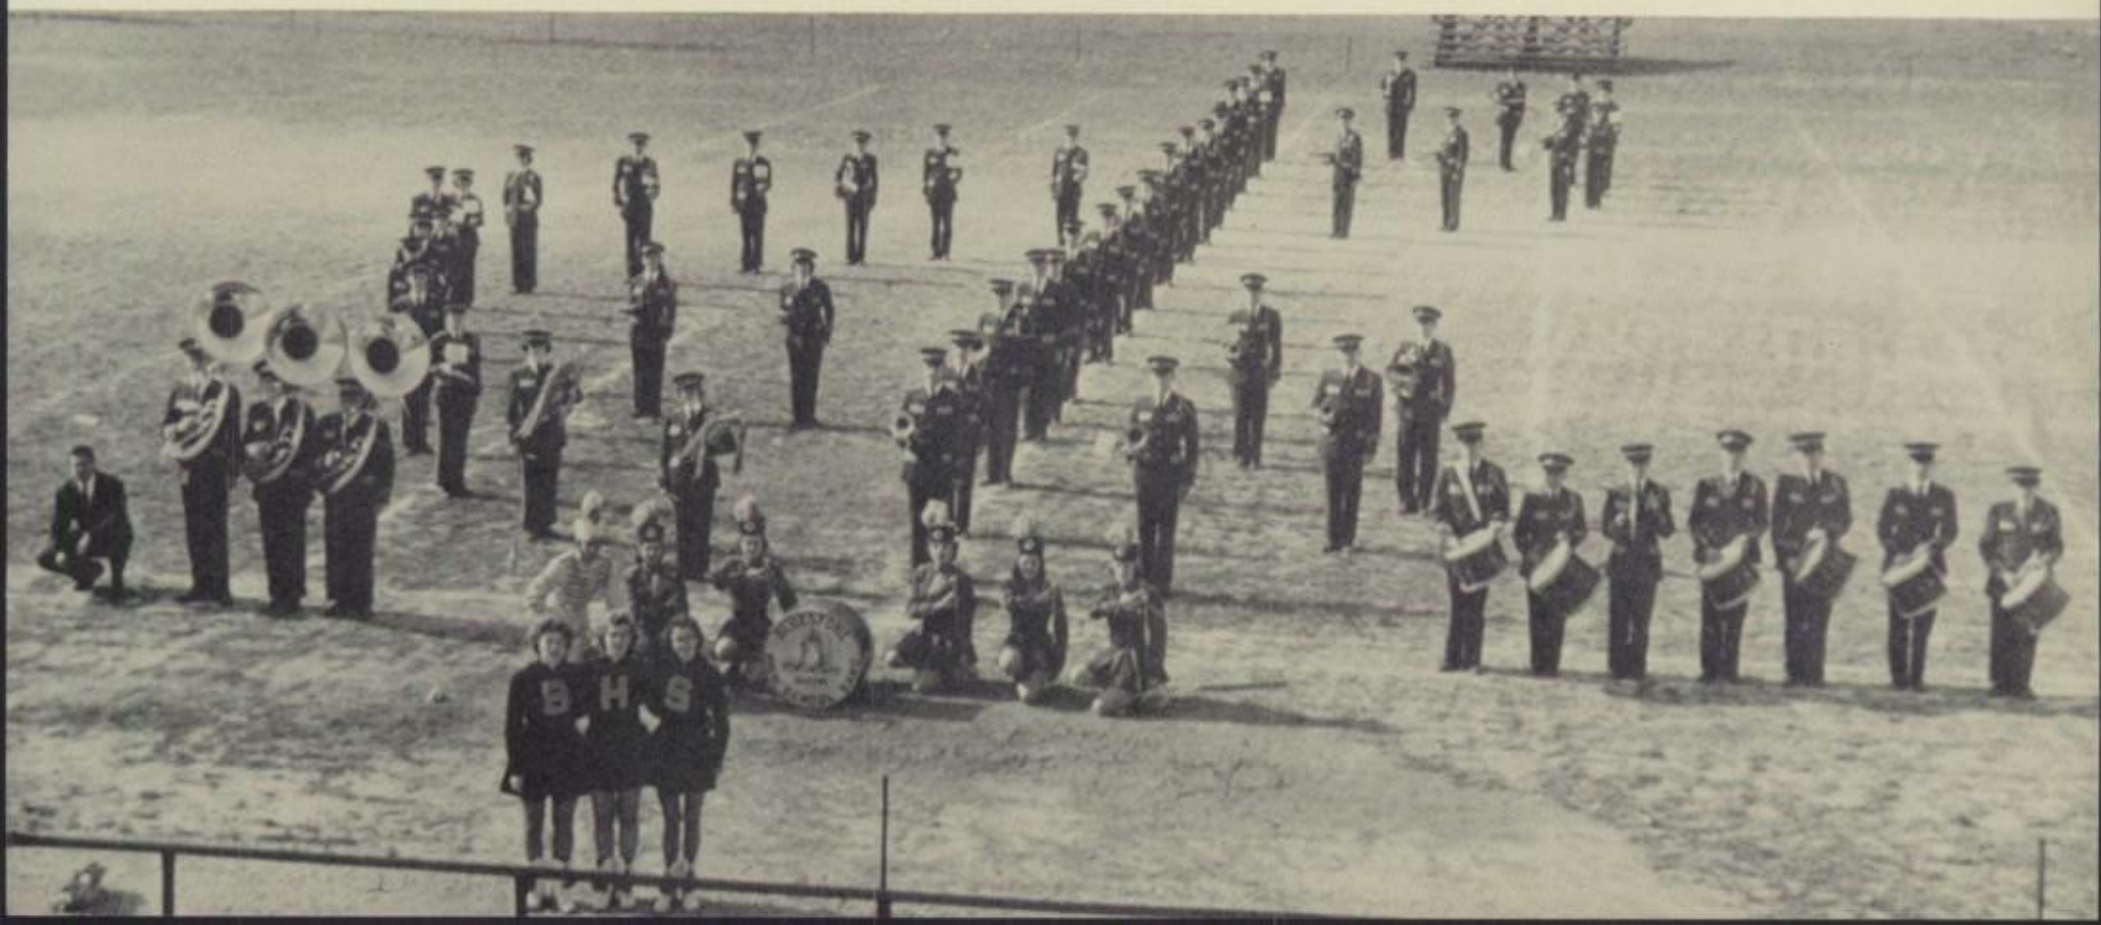

Already this year the band has received many invitations. In the fall they traveled to Charlottesville for Band Day and participated in the half-time entertainment at the U.N.C.-U. of Va. football game. At Christmas they marched in four parades - - Oxford, N.C., Petersburg, Chase City and Clarksville.

At the Bluestone football games, the band provides entertainment for the spectators with intricate drill routines and delightful musical presentations. During the game, the band offers "musical" support for the team.

Bluestone students are favored numerous times during the year with concerts and programs presented by the Advanced Band.

Michael Shelton is president of the Band.

McPherson and Scogin

The Bluestone Barons with Coach Robert Scogin and Assistant Coach Gary McPherson spent many long hours of hard training last fall in preparation for the tough schedule which lay ahead. Both coaches in their first year at Bluestone found that the Barons had no senior players which made quite a disadvantage in experience but they had the spirit and willingness to win.

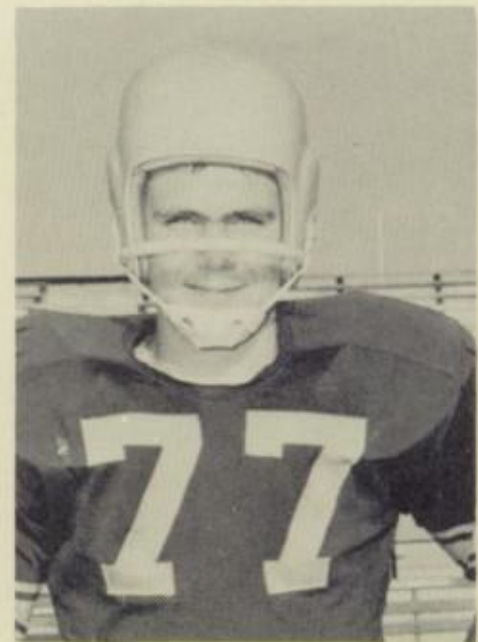

The team led by Captain Bryce Sneed and Co-Captain Otto Sanders deserve much credit for their three victories, two in which they romped over Bluestone's dearest rival, Parkview!

We did it, Coach!

This year, as usual, was one of both excitement and trouble for the Blue and Gold. In the opening game, at the dedication of Bluestone's new stadium, the Barons climaxed a memorable occasion by defeating the Park View Dragons. This was the first time the Barons had defeated their dearest rivals in football in the history of the two schools. Coach Scogin said, "The victory was a result of the effort, condition, and willingness to win on the part of the whole team." Following this victory the Barons had a losing streak in which they were defeated by Buckingham, Brunswick, and Victoria. Victories over Greenville and Park View brought back the old spirit to the Baron fans once more.

The season was ended with two defeats for the Barons by Randolph-Henry and Farmville.

This year's squad, coached by Crowder and Campbell, consisted mostly of pre-freshmen. Playing only four games, the team came out on the losing end of each score. Those pretty girls aren't waving at you! They are the Bluestone Cheerleaders. With new and varied yells, the Bluestone cheerleaders exhibit vitality and enthusiasm as they urge the spectators to yell and the players on to victory.

The cheerleaders practice their cheers many hours; they even begin before school opens in the fall. A cheerleader must maintain average grades and pass the various, active try-outs before being named to the cheering team.

Hold that line, Barons!

Varsity Basketball

The '58-'59 Basketball team of Bluestone consists of an inexperienced but promising group of players. Desire, determination and hustle characterize each practice and game. From the beginning of early practice, the team began setting sights for a tournament berth in the spring.

Coach McPherson and the boys in typical time-out position.

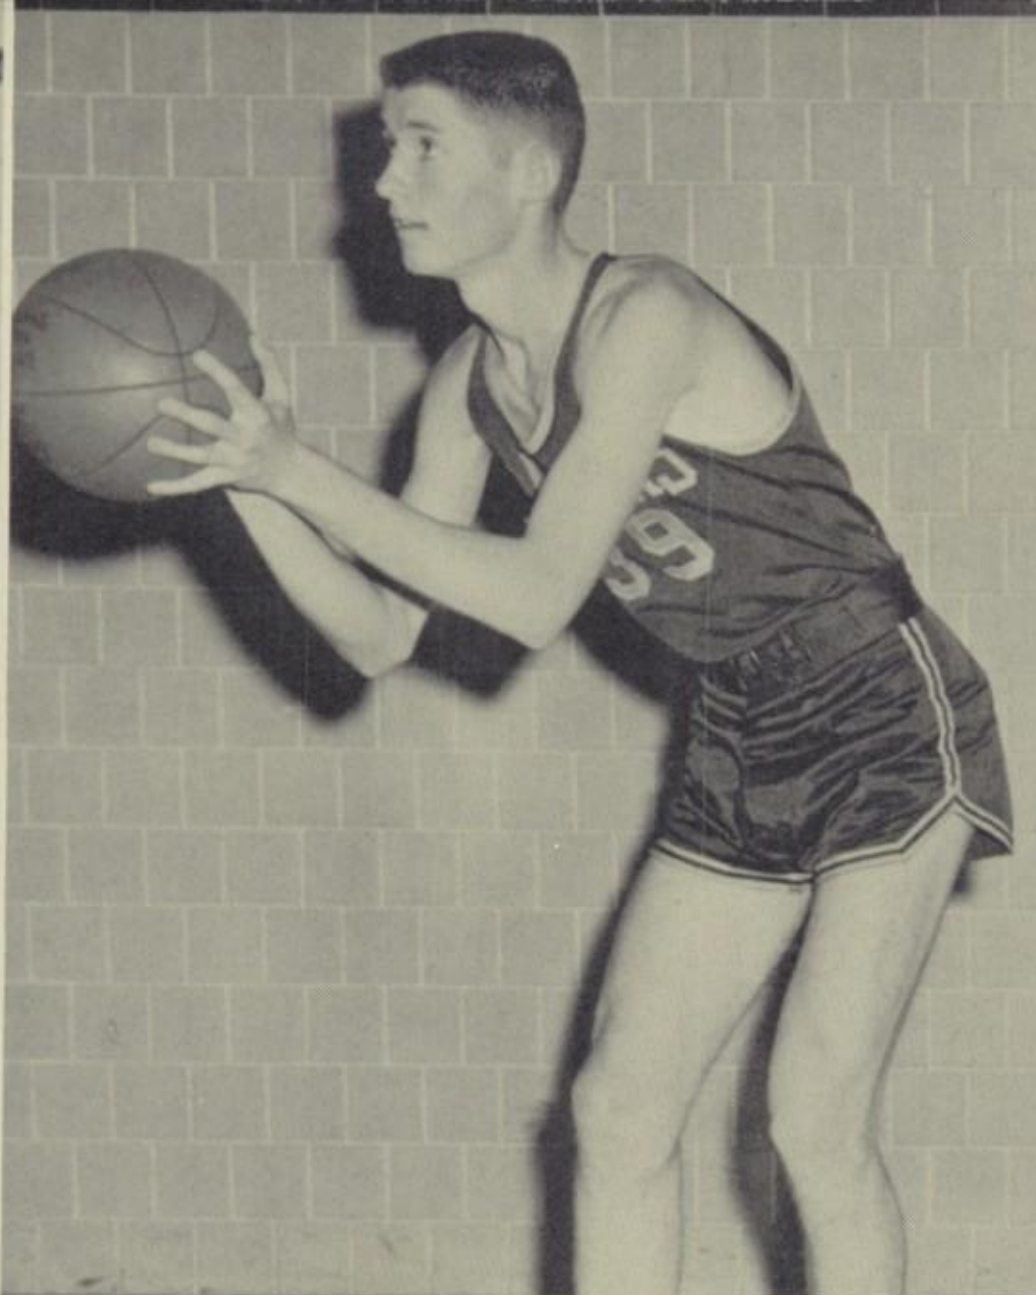

Losses to Greenville, 45-35, and to Victoria 65-40 were followed by heart-breaking scores of 51-50, Park View the winner, and 35-33, Amelia the winner. With characteristic Bluestone spirit, however, the roundball handlers broke into the win column with a 35-39 victory over Kenbridge. Again the home team edged to victory over Crewe with a 31-26 score.

The two victories seemed to be just the needed vitamins when Bluestone met Brunswick, undefeated District II team. Bluestone frightened these leaders and left the floor defeated by a 59-53 score but happy to have a close score for the January 13 contest.

J.V. Basketball

Coach Crowder shows how it's done.

Through the middle of January the Bluestone Junior Varsity Basketball Team was undefeated. The possibility of continuing throughout the season without a defeat will demand the continued hard work and teamwork the boys have shown thus far.

Outstanding play up to date has come from Hughes Roberts, Wayne Garner, Earl Berry, Walton Yancey, Johnny Woodson and Bill Colgate. Hughes Roberts and Wayne Garner have recently been promoted to the Varsity squad. Reserves David Averette, Bobby Lenhart and Steve Spain have moved up to fill their shoes. McPherson, varsity coach, has promised help from his squad.

Newcomers Jerry Carter, Sam Davis, III, and Jerry Dalton are showing steady improvement and are likely to pressure their teammates for a playing assignment.

Girls' Basketball

Coach Craig Campbell has been putting the 14-member Girls' Basketball team through torrid paces during the season. Working with only five lettermen, Campbell and the team faced a challenging task of building. Early season contests saw the Baronnettes on the short end of the scoring except for one game. Despite these losses, the girls are constantly working to improve team and individual play. There are five juniors, seven sophomores and two freshmen on the team. Since none of the team will be lost through graduation this spring, Campbell expects the experience of this season to produce a top-notch winning team next year.

The 1958 Baseball squad, coached by O. B. Crowder, Jr., was composed of the youngest boys in the history of Bluestone - - three seniors, five sophomores and seven freshmen. Of the eleven lettermen, eight are returning to the 1959 squad, and the outlook for the Barons is indeed promising.

Homecoming Court

The Queen and the girls in her court are elected each year by the Bluestone football players to reign over the Homecoming football game and dance. This is a time when all alumni of Bluestone return to their alma mater for a reunion with old classmates.

This year both the home and visiting bands honored the Queen and the court during the half-time ceremony. The Queen, Phyllis Carter, was crowned and presented a bouquet of roses by the Baron captain, Bryce Sneed. At the dance each of the girls was escorted by a Baron football player.

Judy Griffin

Miss Clarksville Water Queen

Judy Griffin, a Bluestone student, became Miss Clarksville Water Queen at the Aquatic Festival in Clarksville in the spring of 1958. The Clarksville Junior Chamber of Commerce sponsored Judy at the Tobacco Festival in Richmond where the Tobacco Festival Queen was selected.

Miss Mecklenburg County Fair

The first Miss Mecklenburg County Fair was chosen on October 10 during the 1958 County Fair at Chase City. Carol Black, a Bluestone Junior, was crowned by State Senator Joe Hutcheson when she won the crown. Carol, previously runner-up in the Miss Chase City contest, was selected over 32 contestants.

At the Mecklenburg County Fair held in October numerous awards were given for exhibits of all kinds. Bluestone students captured many of these awards in various fields - - F.F.A. entries, F.H.A. entries, Industrial Art, Art, and Creative Writing. This is indeed a special honor both to the individuals and to Bluestone.

Lawn Scene At Prom

The Prom

Everyone had a wonderful time.

The traditional Junior-Senior Prom was presented in May by the Sophomores and Juniors. The Sophomores aided the small Junior class in entertaining at this function.

The theme, "Cherry Pink and Apple Blossom White", was minutely carried out. There were two picture scenes, a lawn scene and a rustic well. The Collegians provided dancing music for the occasion.

Many long hours of work were spent in preparations for this social function which highlighted the year's activities. The Seniors were truly grateful for this lovely tribute and adieu given by the Sophomores and Juniors.

1958 Commencement

Mingled expressions of tears and joy marked the 1958 Commencement as the Seniors formally took leave and began calling Bluestone "Alma Mater." The Senior picnic, class day activities and the receiving of diplomas marked the closing of high school days. President of the Seniors of '58 was Bobby Johnson. Highest scholastic honors went to Pat Woodroof, valedictorian, and Carol Shimpock, salutatorian.

Earth Transportation

Bluestone's bus drivers are very important people. Through the varied weather conditions of 180 school days, these drivers carefully transport Bluestone students to and from school. Unlike the space travelers, a careful, slow pace is required and kept.

Future Outlook – Promising

We live in a growing America. Our nation is dedicated to progress and the advancement of man and his world. And only through education can the necessary progress of the future be accomplished.

In textiles, tremendous forward strides are being made. Revolutionary new fibers and processes are giving Americans better and more attractive fabrics, for every purpose, than ever before.

Burlington Industries and its member companies and plants are proud to be an important part of one of America's most essential industries.
